Remote Access to the Databases, Online Catalog and EBooks from the BPCC Library Webpage

Note: New students’ accounts may not be active on the first few days of classes. If new students need to access the databases from off campus before that time, they may contact the BPCC Library at 678-6275 or email your questions to refdesk@bpcc.edu.

How to Access the Databases Remotely (Off-Campus):

1. Open your browser and go to the BPCC Library website: www.bpcc.edu/library/
2. Click A to Z Database Index under the “Library Online” heading.
3. Select your database from the drop-down menu and click “Go”.
4. If you are prompted to log-in: your User ID is your LoLA User Name and your PIN is your 6 digit birth date (mmddyy).
5. Example: User ID: johnsmith PIN: 011093

More information available at: www.bpcc.edu/bpcclibrary/faq.html

How to Access BPCC Library Online Catalog/Library Account:

1. From the Library’s webpage, click the “Find Articles, Books, DVDs and More” link at the top of the page.
2. There is no need to login when simply searching the catalog.
3. If you wish to view your library account, click on My Account and login. Your user ID is your LoLA User Name. Your PIN is your 6 digit birth date. The My Account feature allows you to view due dates on items you have checked out and to place holds on needed items.

How to Find, View & Print EBooks:

1. Open the Library’s Online Catalog.
2. Click “Everything” in the drop-down menu at the top of the page and select “eBooks Only” to search for specific titles or subjects of all EBooks.
3. Click URL at the bottom of the record. Select how you would like to read the book (PDF or Online).
4. To Print a Page, view the page and then print it using the print button.

You cannot print the whole book due to copyright restrictions.
